SAFETY LAWS OR CODES, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHER WARRANTY, WHETHER EXPRESSED OR IMPLIED, EXCEPT THE WARRANTY OF TITLE AND AGAINST PATENT INFRINGEMENT FOR PRODUCTS OF BOYD'S DESIGN. This Warranty does not extend to materials of construction, equipment, parts and finishes (collectively "other products") not of Boyd's manufacture: as to such other products, Boyd conveys to the Covered Party, the warranty, if any, of Boyd's vendors and/or suppliers, to the extent transferable without additional cost to Boyd. Corrosion Disclaimer. Boyd is not responsible for pitting, corrosion or suitability of use for any products, including, without limitation, the Products, materials, or finishes in any particular application. The corrosion resistance and suitability of use for any products, including, without limitation, the Products, materials, or finishes is dependent on environmental conditions, cleaning practices, and many other factors beyond the control of Boyd. Loss of functionality of moving portions of the Products, and pitting and corrosion caused by environmental conditions and the performance of, or absence of, cleaning/maintenance practices are excluded from coverage under this Warranty. The Covered Party assumes all responsibility and risk for pitting, corrosion or suitability for use of all products, including, without limitation, the Products, materials, or finishes in their particular application.

For finishes, paint, anodized, or other finishes, the total liability of Boyd for any reason or origin is limited in total to the original price paid by Boyd for finishing only the portion of the Products upon which the liability or warranty claim is based, and reduced by a proration of the expired Warranty Period over the original Warranty Period. The remedies of the Covered Party, and any other party, arising out of or related to the Products, set forth herein are exclusive, and the liability of Boyd with respect to the Products, or anything done in connection therewith, or from the manufacture, sale, delivery, resale, installation or use, or the repair or replacement of any of the Products sold by Boyd whether arising out of contract, negligence, strict liability, tort, or under any warranty, or otherwise, shall not exceed the price charged by Boyd for the portion of the Products upon which the liability or warranty claim is based.

Entire Agreement, Severability. This Warranty contains the entire agreement of Boyd and the Covered Party as to Boyd's warranty obligations and other matters referenced herein. In the event of any conflict between this Warranty and any other agreements between the

parties, the terms, conditions and limitations of this Warranty shall govern and control, unless the conflicting agreement or provision specifically references that it takes precedence over a particular term of this Warranty and is in writing signed by both an authorized officer of both Boyd and Covered Party. In the event that any provision of this Warranty is found to be invalid or unenforceable, such provision shall be reformed to the extent necessary to make it valid and enforceable, provided that if reformation will not remove the objection to validity or enforceability, such provision shall be deleted from this Warranty, and each and every other provision of this Warranty shall remain in full force and effect. This Warranty shall be construed and enforced in accordance with the internal laws of the State of Missouri.

Payment by Purchaser. Boyd's obligations under this Warranty are conditioned upon payment in full for the Products. If a default in payment occurs, the Products are sold AS IS, WITH ALL FAULTS, and without any warranty express or implied. Any delay in payment shall not toll the running of the applicable Warranty Period.

DISPUTE(S) RESOLUTION, APPLICABLE LAW, ARBITRATION. This Warranty and the underlying agreements are to be governed by the internal laws of the State of Missouri. The parties agree that any and all proceedings, whether in court or in arbitration, shall be brought and exclusively conducted in Springfield, Greene County, Missouri. THE PARTIES EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.

Any dispute, controversy or claim arising out of or relating to this Warranty, whether based on theories of contract, negligence, strict liability, tort, laws or regulations, warranty, or otherwise, (including, but not limited to, any dispute relating to the existence, interpretation, breach or termination hereof or thereof, or the agreement of the parties to arbitrate disputes), where the total amount in controversy, including the initial claim and any counterclaims, equals or exceeds Seventy Five Thousand Dollars (\$75,000.00), exclusive of interest and costs, that cannot be resolved by the parties within thirty (30) days of notification by either party of the dispute, shall be resolved by binding arbitration administered by, and in accordance with the Construction Industry Rules of the American Arbitration Association, with the venue in Springfield, Missouri. The arbitration award may be reduced to judgment by any court having jurisdiction thereof.

The cost of the arbitration shall be shared equally between the parties, and each party shall bear its own attorneys' and paralegals' fees and expenses. However, if Covered Party is asserting a claim in excess of Seventy-Five Thousand Dollars (\$75,000.00) and is awarded less than this amount, the Covered Party shall bear all cost incurred in connection with the

arbitration, including, without limitation, Boyd's attorneys' and paralegals' fees and expenses.

Covered Party and Boyd agree that the agreement to arbitrate disputes shall not preclude Boyd from exercising lien rights available under the laws of any state where the goods and/or products are located or services performed, including filing any suit to enforce its lien rights. Any related suits shall be stayed pending arbitration if the claims exceed \$75,000.00. The arbitrator(s) shall have exclusive authority to determine the applicability and scope of this Warranty, including, without limitation, this arbitration provision.

Acceptance, Effective Date. By accepting the Products, the Covered Party and the Covered Party's successors and assigns accepts, and shall be bound by all conditions, exclusions and limitations of this Warranty. This Warranty is effective as of the date provided below. If Covered Party does not sign and return a signed copy of this Warranty to Boyd within thirty (30) days of receipt, for signature by Boyd, Boyd may at its option, after notice to the Covered Party: declare this Warranty null and void, and in such case the Products are sold AS IS, WITH ALL FAULTS, and without any warranty express or implied; or Boyd, in its sole discretion, may deem this Warranty to have been signed by the Covered Party, and the Covered Party shall be bound hereby in all respects.
